Laser Clay Shooting

Experience the thrill and excitement of shooting clay pigeons as they fly through the air! This hands on activity uses authentic 12 gauge shotguns that have been converted to fire laser beams. Clay discs are fired from the launcher – when the shooters score, it registers a hit on the electronic scoreboard.

Archery

A competitive archery session will awaken, refocus, and keep your delegates on target during your next conference. This ancient form of weaponry is suitable for delegates of all fitness levels and abilities. Our facilitator will teach the delegates how to use a bow and arrow and find the target. Your team will love the rare opportunity to feel the power of firing an arrow!

Wine Olympics

Rather than running, jumping and swimming your way to victory, teams will tackle a very different series of events. Grape stomping, cork popping, and an array of winery-related activities make for a competitive, informative, and hilarious event. This pairs well with our very popular 'Grape to Glass' wine blending activity.

Grape to Glass

Discover the Sommelier within as teams blend their very own wine under the tuition of an experienced Hunter Valley Wine Maker. The end result will see each delegate receiving a bottle of the winning blend with the winning label design on it! A great team event.

Hunter Valley Stampede

Saddle up for the ultimate Hunter Valley adventure! Our Amazing Race style event sees teams stampee across the stunning wine country, tackling a series of Wine Olympics inspired challenges including Grape Stomping, Catapult Firing and more. A fun, competitive and uniquely Hunter Valley team building experience you will never forget.

Paint & Sip

Unleash the artist within! Our Paint and Sip is designed for corporate teams to connect, create and unwind. No experience needed and your delegates will surprise themselves with what they produce. We can tailor the painting to the stunning Hunter Valley landscape, your conference theme or company values.

Yoga

Find your flow and reset as a team with a guided Yoga Class set against the stunning surrounds of Spicers Guest House. Suitable for all levels, this calming and rejuvenating session is the perfect way to energise your delegates and promote wellbeing.

Hunter Valley Explorer

Teams are driven through the region's stunning landscapes, stopping at iconic locations throughout the Hunter Valley to tackle challenges including Laser Clay Shooting, Archery, Cheese Tasting and Blind Wine Tasting. A truly immersive way to experience one of NSW's most breathtaking regions.
